ENHANCE YOUR DESIGNS WITH ALMA LONDON

OUR **STORY** & **WHAT WE DO**

Alma London is the ideal partner for architects, interior designers, and planners seeking bespoke design solutions. Our unique, custom-made creations are crafted using the highest quality natural and synthetic materials.

Our team of experts is dedicated to sourcing and selecting materials that meet the specific needs of our clients, ensuring thorough evaluation of their intrinsic qualities. These materials are then entrusted to top artisans and craftsmen who bring design visions to life.

We collaborate with prestigious brands and official suppliers of raw materials and surfaces to ensure outstanding results. Additionally, through a dedicated scouting professional, we explore the global market in search of exclusive materials, while keeping production in the hands of Italian artisans, renowned for their design expertise and craftsmanship.

GLOBAL MARKET POSITIONING

Alma London exports the quality of Italian products worldwide, successfully establishing a presence in the following markets:
